## CPIS INFORMATION SYSTEM

Centralised Information System for admission to educational programmes. The system is accessible via [mokausi.lt](http://mokausi.lt).

## E-GOVERNMENT GATEWAY

The portal that is designed to access administrative and public electronic services. Users wishing to submit applications for studying under educational programmes can authenticate themselves using one of the available methods on the e-Government Gateway portal. If you do not have a means to use the e-Government Gateway services, learn more [here](#).

## WIZARD

A progress bar in the CPIS information system that displays the progress of the application form, i.e., the completed and remaining steps until the successful submission of the application.

## STUDY APPLICATION

A list of preferred educational institutions for studying specific education and training programmes. Applications are submitted electronically via the CPIS information system.

# LOGIN TO THE CPIS

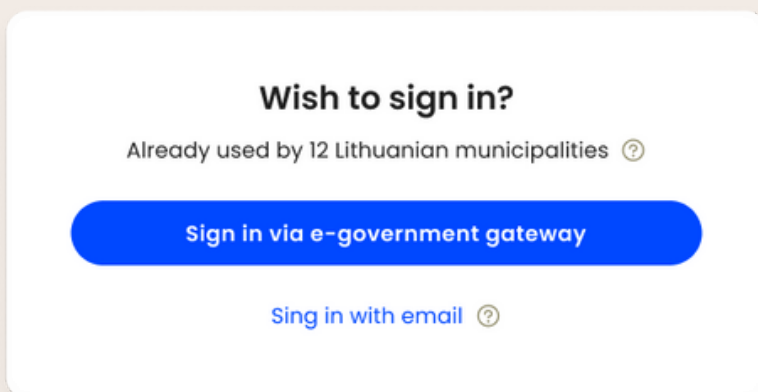

1

Visit the mokausi.lt website.

Click the **LOGIN** button located in the upper right corner of the screen.

2

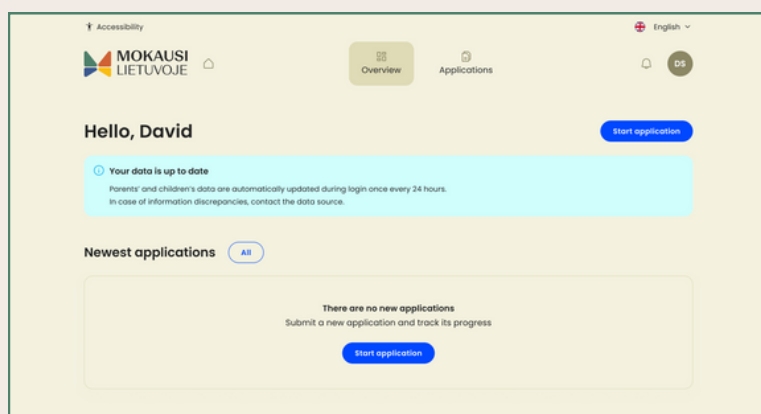

On the page that opens, click the **SIGN IN VIA E-GOVERNMENT GATEWAY** button. Use the available authentication method, such as e-banking.

If you are unable to authenticate via the e-Government Gateway, please contact the preferred vocational training institution for access. Learn more [here](#).

3

Once you agree to the privacy policy, you will be directed to the overview page. To begin filling out the study application, click the **SUBMIT APPLICATION** button.

**Important**

The **competition score** is calculated based on the evaluations of general education subjects and exams (if secondary education has been completed). If your general education evaluations were not obtained from the registries, please attach a document and enter the evaluations manually.

For **upper secondary education** obtained **outside Lithuania**, it is necessary to attach documents confirming the education obtained and a SKVC academic recognition certificate in ADOC format.

For **lower secondary or other education** acquired **outside Lithuania**, it is necessary to submit documents confirming the education obtained. Academic recognition of education will be carried out by the vocational training institution chosen as the first preference.

# FAQ

## WHERE CAN I CHECK THE STATUS OF MY APPLICATION?

You can check the status of your application by logging into the CPIS information system, find your applications under the APPLICATIONS section. You will also be notified by email if there is any change in the status of your application.

## HOW MANY INVITATIONS TO STUDY CAN I RECEIVE?

In each stage of the vocational education admission process, you can receive no more than one invitation. Due to high competition or unfilled groups in the respective programmes, it is recommended to list more than one preference in your application.

## HOW TO SIGN THE STUDY CONTRACT?

In the 2025 winter admission stage, study contracts are signed at the vocational training institution from which you received the invitation to study. The educational institution will provide you with additional information.

## I AM A FOREIGN NATIONAL. CAN I APPLY TO STUDY IN STATE FUNDED VOCATIONAL TRAINING PROGRAMMES?

You cannot apply to state funded programmes, unless exceptions apply to you. For more information, you can contact a vocational training institution that you are interested in.
